)	(WO)
DOUGLAS MATTHEW BERRY)	

MENTAL-HEALTH ORDER

In accordance with the provisions in the judgment on revocation (doc. no. 241), it is ORDERED that the United States Probation Office shall:

- (1) Arrange for a mental-health evaluation of defendant Douglas Matthew Berry by a clinical psychologist, within 30 days of the beginning of supervision, which should be sufficiently comprehensive and in-depth, and done by someone with the sufficient mental-health credentials, to:
 - (a) identify and recommend appropriate treatment for any mental illnesses, substance-abuse disorders, and cognitive and intellectual disabilities;

- (b) identify and give an official DSM diagnosis or diagnoses if warranted; and
- (c) recommend an appropriate plan for mental-health and/or substance-abuse counseling, including recommendations as to how defendant Berry can develop skills to cope with life stressors without resorting to the use of drugs.
- (2) File a report of the mental-health evaluation under seal with the court within 60 days of the beginning of supervision.

DONE, this the 13th day of February, 2020.
